1. The Radar and Optical Working Group will hold a special IR conference on 11-13 October 1989, at the DIA Center, sponsored by FTD. Although notice of the conference will be disseminated through ROWG channels, I would like to emphasize the significance of this meeting and extend a personal invitation to you and members of your staff.

2. We hope you can find time in your schedule to join us from 0830-1030 on the first day. Feel free to invite other executive-level members of your staff for all or part of the first day (see attached agenda).

3. A more complete agenda will be distributed through ROWG channels. Please notify the conference manager, Ralph Fagnoli, FTD/SWDEI, AV 787-2955, or commercial (513) 257-2955, and pass clearances to FTD and DIA/DT-3B with an information copy to FTD/SQDEI by COB Tuesday, 3 October 1989, if you can attend.
